Welcome

Online Renewal Application 2018 – Postgraduate Education

To complete your renewal application, you must:

1. Answer all questions in this online application form
2. Pay online (or by alternate method)
3. If applicable: mail your renewed work permit and/or new statement of objectives (refer to your renewal notice for further details)

Following submission of all above and our review of your application, an email confirming your renewal will be sent to you. NOTE: YOUR RENEWAL IS NOT COMPLETE UNTIL YOU RECEIVE OUR RENEWAL CONFIRMATION EMAIL.

GENERAL INSTRUCTIONS:

• The purpose of this application form is to obtain information that is relevant to your annual registration for postgraduate training in Ontario. If you apply in the future for a certificate of registration authorizing Independent Practice, you will be asked questions relevant to your eligibility and suitability for independent practice in Ontario.

• This is an annual application form and the information you provide will be retained by the College. If you apply to renew your Postgraduate Education certificate next year, certain information you may provide in this year’s form need not be re-submitted in next year’s form.

• This form contains questions relating to adverse actions, offences, findings, and personal health. The College will review any ‘yes’ response and, if necessary, will inquire further with you. Your prompt reply to our inquiries will expedite the review process.

• Before you start, make sure you have,
  o Approximately 20 - 30 minutes to complete the renewal process
  o Knowledge of the results of your BBV testing if you do Exposure Prone Procedures
  o Credit card information (Visa, Visa Debit, Online Interac, MasterCard, American Express).

• The application will time out after 20 minutes if there is no activity.
• If you need any help while completing the form, please contact the College’s Physician Advisory Service at 416-967-2603 or 1-800-268-7096, ext. 603, Mon-Fri, 8 am to 5 pm.
APPLICATION CONDITIONS:
1. **No Delegation** – you must read all instructions and complete this form personally. No one can do it on your behalf.

2. **Professional Misconduct** – It is professional misconduct to make a false or misleading report to the College.

3. **Due Date** – Application Form for Renewal must be submitted by [date].

4. Any information you provide may be referred to the College’s Inquiries, Complaints and Reports Committee or may result in your application being referred to the Registration Committee. You may be asked to provide additional information for clarification.

5. **Scope of Information** – Your answers must reflect all of your practice experience.

☐ I acknowledge and understand the requirements for online application for renewal as outlined above.

B. Postgraduate Training Conduct/Leaves in ONTARIO

Important! Before you respond, you must read this:

<Important Information>

The following questions ask about your enrolment, performance and conduct in your Ontario postgraduate medical training program.

Note that the questions pertain to your training in ONTARIO only. They do not apply to your training completed outside Ontario, if any.

If you do not fully understand a question or are uncertain how to answer, contact the College’s Physician Advisory Service (see number at top of form).

If you respond yes to any question in this section, you must provide an explanation below. The College may contact you for further information.

1) Since April 1, 2017, have you been, or are you now, dismissed, suspended, removed, on probation, on involuntary or recommended leave, or otherwise denied, limited or restricted by an Ontario postgraduate medical training program or by an Ontario medical school where you were or are enrolled for postgraduate training?

   Note: if matter is under appeal, you must still answer ‘yes’.

   Yes ☐ No ☐

2) Since April 1, 2017, have you completed, or are you now completing, any postgraduate remedial training in Ontario for deficiencies or issues relating to professionalism,
professional conduct, professional attitudes, interpersonal skills or communication skills?

Note: This question excludes remedial training required solely for deficiencies or issues in knowledge, clinical skills, or technical skills

Yes ☐ No ☐

3) Have you ever taken a leave of absence of 2 continuous years or longer from a postgraduate medical training program in Ontario, regardless of whether the leave was voluntary or was imposed by your training program or medical school?

Yes ☐ No ☐

4) Are you now on a leave of absence which has exceeded 2 years or may exceed 2 years in the coming training year, regardless of whether the leave was voluntary or was imposed by your training program or medical school?

Yes ☐ No ☐

5) Provide explanation(s) for any of your ‘Yes’ responses in this section:

F. Offences, Findings and Settlements

Important! Before you respond, you must read this:

“Finding” means any judgement or decision made against you by a court in relation to any lawsuit involving a patient. This includes, but is not limited to, a finding of negligence, malpractice or battery. It also includes findings in which you have been found by the court to be liable for the acts of others, including your employees or agents, in a lawsuit involving a patient.

“Settlement” means an agreement to resolve a lawsuit involving a patient at any time during the proceeding. A settlement may or may not include payment made on your behalf to the patient or other parties in the lawsuit. You do not need to report a lawsuit that has been dismissed, discontinued, or withdrawn unless the lawsuit against you was dismissed, discontinued or withdrawn but included any payment of costs, admission of liability, and/or payment of money on behalf of the defence.

Information in this section will be made public except question 3. The College is required by law to publish every finding of professional negligence or malpractice on the public register, unless the finding is reversed on appeal.

If you respond yes to any question in this section, you must provide an explanation below. The College may contact you for further information.

Answer all of the following questions:

1) Since April 1, 2017, have you been charged with, and/or been found guilty of, any offence in Canada or elsewhere, the facts of which you have not previously disclosed to the College?
   Note: Include all offences under the Criminal Code of Canada, the controlled Drugs and Substances Act, the Food and Drugs Act or the Health Insurance Act or related legislation in any province or jurisdiction. In addition, include any other offences related to the practice of medicine.
   Yes ☐ No ☐

2) Since April 1, 2017, has a court made a finding against you in any lawsuit involving a patient or someone acting on behalf of a patient, the facts of which you have not previously disclosed to the College?
   Yes ☐ No ☐

3) Since April 1, 2017, have you made a settlement of any lawsuit involving a patient or someone acting on behalf of a patient, the facts of which you have not previously disclosed to the College?
   Yes ☐ No ☐
4) Provide explanation(s) for any of your ‘Yes’ responses in this section:

Text box, max 2000chars

G. Personal Health Status

Answer all of the following questions:

1) Do you have an addiction or substance use problem (including alcohol) identified since April 1, 2017 that may compromise your ability to practice medicine and for which you are not currently enrolled in the OMA’s Physician Health Programme?
   Yes ☐ No ☐

2) a) In the coming year of your postgraduate training program/practice, will you perform, assist in performing, or have the potential to perform (e.g. emergency physicians) or assist in performing exposure-prone procedures as defined in the Blood Borne Viruses policy, or perform or assist in performing procedures that may become exposure-prone (e.g. a laparoscopic that may convert to an open procedure)?
   < Important Information >
   Important! Before you respond, you must read ‘BBV Guidance’ (see page 12)

   Yes ☐ No ☐ (If YES, answer 2b – 2e, if NO, skip remaining questions).

   b) Have you had your blood tested for Hepatitis C and HIV since April 1, 2015?
   Yes ☐ No ☐ Note: If ‘No’ you must be tested within 45 days. You must notify pge-renewals@cpso.on.ca of your test date and test results, either negative or positive. Please do not send a copy of your lab results.

   c) Are you infected with and/or have you had a positive blood test with respect to HIV or Hepatitis C, including either HCV antibody or HCV RNA?
   Yes ☐ No ☐

   d) Have you been vaccinated against Hepatitis B virus?
   Yes ☐ No ☐ (If NO to 2d, skip 2e and answer 2f and 2g).

   e) Have you had post-vaccination testing that confirms immunity to Hepatitis B virus?
   Yes ☐ No ☐ (If NO to 2e, answer 2f and 2g).
f) Have you had your blood tested for Hepatitis B virus since April 1, 2017?
Yes ☐ No ☐  Note: If ‘No’ you must be tested within 45 days. You must notify pge-renewals@cpsso.on.ca of your test date and test results, either negative or positive. Please do not send a copy of your lab results.

g) Are you infected with or have you had a positive blood test with respect to Hepatitis B virus (If you test positive for the surface antibodies only, answer NO).
Yes ☐ No ☐

If ‘Yes’ to 2(c) or 2(g) provide explanation. The College may contact you for further information:

I authorize the PGMEO to provide information as required by the College.

ONLINE PAYMENT OF FEE:

<Payment instructions included here for payment by credit card, interac, etc.>
**Guidance for Question G 2(a)**

**Blood Borne Pathogens Policy**

The College’s Blood Borne Viruses policy requires physicians who do or assist in doing exposure-prone procedures (EPPs) to know their personal serologic status with regard to HIV, HBV and HCV. For more details, refer to the policy and to the frequently asked questions document: [link to policy and FAQ](#)

**Program-Specific Guidance for Postgraduate Trainees**

The following lists show which postgraduate training programs involve, or may involve, EPPs. (i.e. involve or may involve SHEA Cat III procedures or cases)

If your coming year of training is in one of these programs -- or if your program includes any rotations or electives in one of these programs -- you should respond ‘yes’ to question G 2(a).

Regardless of whether you are a resident in Family Medicine or a resident in any other program, if your program in the coming year is expected to include rotations or electives in Obstetrics and Gynecology, other surgical specialty, Emergency Medicine or any discipline involving or possibly involving EPPs, you should respond ‘yes’ to G 2(a).

Note that this list is a guide only, not a definitive list. If your program or program rotations are not in this list and you are unsure whether they involve or may involve EPPS, check with your program director. If still uncertain, you should err on the side of caution and respond ‘yes.’
