Dear Applicant:

The College is pleased to provide this application for an **Independent Practice** certificate of registration.

**Note that this application package is for graduates of acceptable medical schools outside Canada or the United States of America.**

The following are the current core requirements for an Independent Practice certificate of registration:

- Degree in medicine from an acceptable medical school;
- Parts 1 and 2 of the Medical Council of Canada Qualifying Examination (MCCQE) or an acceptable alternative examination;
- Certification, by examination, by the Royal College of Physicians and Surgeons of Canada (RCPSC) or the College of Family Physicians of Canada (CFPC);
- Canadian citizenship or permanent resident status; and
- Completion of one year of clinical clerkship or postgraduate training at a Canadian medical school or one year of relevant active medical practice in Canada.

The College does not recognize any alternatives to these qualifications, except for those set out in the CPSO’s various registration policies or under the provisions in the Ontario Regulated Health Professions Act relating to the Agreement on Internal Trade (AIT). For further details, please visit our website at www.cpso.on.ca, follow the Registration link from the home page.

This application package contains the following:

**Instruction Guide and Forms:**

- Schedule of Requirements
- Information about the Certificate
- Application, Credentialing, and Payment Forms

For issuance of Independent Practice certificate of registration, you must complete this application form and all requirements set out in this schedule. This is a minimum list of requirements and you may be asked for additional documents. For detailed information relating to registration process and timelines, you must review the **General Guidelines - Registration Process and Timelines** document available under Related Links on the Registration Applications and Forms page.

Should you have any questions, please contact the Applications and Credentials Department at (416) 967-2617, Monday to Friday 9:00 am to 5:00 pm EST.

The College looks forward to receiving your application, and wishes you a successful and rewarding practice in Ontario.

Sincerely,

Applications and Credentials Department
This schedule contains detailed information regarding the requirements for registration:

- **PART A** - The requirements to be returned by you
- **PART B** - The requirements you must arrange to be completed by third parties

All requirements in this schedule must be completed. Please follow instructions carefully.

### PART A: REQUIREMENTS TO BE SENT BY APPLICANT

**Application Form**

Your application form must be fully completed and the declaration on the last page must be signed. We do not take action on e-mailed forms.

**Read the instructions and answer each question carefully.** Every “yes” response in sections (a) – (g) must be explained in writing and supported by the required background documents or third-party reports.

In section (h), you will be required to report on exposure-prone procedures and blood-borne pathogens. For assistance with these questions, we strongly recommend that you review the CPSO policy on Blood Borne Viruses and FAQ. To access this material, select “Policies & Publications” on the top menu, “Policy” and select “Blood Borne Viruses” under the “Practice” drop-down menu.

Applications not completed after one year will be considered withdrawn.

**Medical Degree from an Accredited or Acceptable Medical School**

A legible photocopy of your medical degree medical school is required.

For the purpose of application for a certificate of registration in Ontario, a graduate of an accredited medical school means a person holding an M.D. or equivalent degree in medicine that,

(i) is from a medical school that is accredited by the Committee on Accreditation of Canadian Medical Schools or by the Liaison Committee on Medical Education of the United States, and

(ii) is based upon successful completion of an undergraduate program of medical education that included a clerkship that complies with the regulation made under the Medicine Act, 1991.

A graduate from an acceptable unaccredited medical school means a person holding an M.D. or equivalent basic degree in medicine, based upon successful completion of a conventional undergraduate program of education in allopathic medicine that:

(i) teaches medical principles, knowledge and skills similar to those taught in undergraduate programs of medical education at accredited medical schools in Canada or the United States,

(ii) includes at least 130 weeks of instruction over a minimum of thirty-six months, and

(iii) was, at the time of graduation, listed in the World Directory of Medical Schools published by the World Health Organization (7th Edition, 2000 and subsequent updates through to June 2003).

Although, it is the mission of the online World Directory of Medical Schools developed through a partnership between the World Federation for Medical Education and the Foundation for Advancement of International Medical Education and Research and finalized in June 2016 to list all of the medical schools in the world, with accurate, up-to-date, and comprehensive information on each school, the College remains bound by its
registration regulation. Accordingly, any candidate whose acceptable unaccredited medical school was not listed in the latest World Directory of Medical Schools Directory (7th Edition), published by the WHO in 2000 and subsequent updated through to June 2003, will require their application to be reviewed by the College’s Registration Committee, as only the Registration Committee has the authority to grant exemption from the regulatory requirements for registration.

**Certification by Examination by the Royal College of Physicians and Surgeons of Canada (RCPSC) or the College of Family Physicians of Canada (CFPC)**

A legible photocopy of an official letter or certificate confirming that you hold certification by examination by the RCPSC or the CFPC. If you recently passed the certification examination and have not yet received written confirmation of your certification, the CPSO will be advised of your certification directly by the RCPSC or CFPC. This direct notice of certification is an established procedure among the Colleges that is efficient and reliable; nevertheless, should notice be delayed for any reason, it would be your responsibility to follow up with the RCPSC or CFPC. Your certificate of registration cannot be issued until this notification is received.

**Parts 1 and 2 of the Medical Council of Canada Qualifying Examination (MCCQE) or an Acceptable Alternative Examination**

Legible photocopies of official letters from the Medical Council of Canada confirming that you have successfully completed Parts 1 and 2 of the MCCQE. If you recently passed the MCCQE Part 2, note that the College will usually receive examination results directly from the MCC. Nevertheless, should this notice be delayed or incomplete, it would be your responsibility to follow up with the MCC.

Legible photocopies of official letters confirming that you successfully completed acceptable alternatives to Parts 1 and 2 of the MCCQE, as follows:

(i) If completed successfully **before December 31, 1991**, the MCCQE (before the introduction of Parts 1 and 2), or

(ii) US National Board of Medical Examiners (NBME) exams passed **between January 1, 1992 and December 31, 1994**, or

(iii) If obtained **before December 31, 1991**, a score of 75 on each of Component 1 and Component 2 of the Licensing Examination of the Federation of State Medical Boards of the United States of America (FLEX). If FLEX was taken before July 1, 1985, a weighted score average of 75 on all components is required.

**Proof of Identity**

One of the following is required:

i. Proof of valid Canadian citizenship (e.g. passport). Date of birth must be shown.

ii. Proof of valid Permanent Resident status under the Immigration and Refugee Protection Act (photocopy of both sides of your Permanent Resident card issued by Citizenship and Immigration Canada).

**Report from the National Practitioner Data Bank (NPDB)**

If you have practised medicine or taken postgraduate medical training in the United States, a “Self-Query” of NPDB is required.

You must submit to NPDB a Self-Query request for information disclosure, and then forward to the College the report you receive from NPDB. If you receive a rejection notice from NPDB, do not forward it to the College. Instead, re-submit your Self-Query to NPDB.
Note that the Self-Query must be submitted through the NPDB website. For further instructions and to start the Self-Query process, go to http://www.npdb.hrsa.gov/.

**Disclosure of Criminal Record Information**

You are required to arrange for a criminal record check using the Canadian Police Information Centre (CPIC) database, which can be obtained from a municipal or provincial police service in Canada. A vulnerable persons check is always acceptable. **Checks by third-party commercial vendors, including online vendors, are not accepted.**

Ensure your CPIC check covers:
- Current and all previous names;
- Convictions and current charges – both are required
- Correct date of birth

Please refer to the “Guide for Acceptable Criminal Record Checks” on the College’s website for additional assistance. Select the Registration menu at the top, followed by Registration Applications and Forms and access the document on the right side of the page.

Once obtained, please forward your criminal record check results to the College. Do not wait for your results to submit with your application, as this will delay the processing of your file.

If your check indicates a possible match in the CPIC system, fingerprint verification from the Royal Canadian Mounted Police (RCMP) will be required to complete the screening process. You will be notified if this applies to you.

**Note:** For applicants residing outside of Canada, you must take into consideration the processing time of a minimum of 14 business days. Once processed, checks are valid 6 months from the date of issuance.

**Curriculum Vitae**

Your curriculum vitae must provide, at a minimum:

(i) Undergraduate medical education information and date of graduation
(ii) A listing, in chronological order (month/year) of all your postgraduate training appointments including, durations and level of training in every jurisdiction since graduation
(iii) A listing, in chronological order (month/year) of all your professional appointments and type of practice including names of hospitals and/or clinics, discipline, duration and location (please specify the city, province/state, country)
(iv) A listing of all your previous and current medical licences including type, duration, licence number and jurisdiction
(v) A listing of specialist and other postgraduate examinations and qualifications

Any significant gaps in your training and practice history must be explained in the curriculum vitae.
### Payment of Fees ($2765.00)

Fees must be submitted with your application. No assessment of your application will be made until the application fee is received. The application fee is **non-refundable** regardless of whether your application is incomplete, withdrawn or refused.

Note that for applicants who select the expedited assessment fee, the initial assessment for eligible applicants will be less than three weeks, which is currently the service standard. Note: expedited review does not include the time required to issue a certificate. Expedited review is not available for applications with past complaints or investigations by other medical licensing authorities or for applications that must be reviewed by the CPSO’s Registration Committee. If you are not eligible for this fee, you will be notified by the CPSO.

Payment must be made using **Visa, American Express, MasterCard,** money order or certified cheque (payable to the College of Physicians and Surgeons of Ontario). Please use the form provided by the College to authorize payment of fees by **Visa, American Express** or **MasterCard**.

Personal cheques are not accepted.

Receipt of your payment of fees by the College does not confirm that you are eligible for registration nor does it confirm that your certificate of registration has been issued.

The application fee also includes Ontario Fairness Commissioner Registration Audit Recovery fee of $5.

**Fees are subject to change. Applications are subject to fee amounts in effect at time of submission.**
PART B: REQUIREMENTS TO BE SENT BY THIRD PARTY ORGANIZATIONS

- You must arrange for the documents below to be sent directly to the College by third party organizations.
- Source documents sent by you will be rejected.
- They must arrive by mail in an official, sealed and stamped envelope directly from the third party.
- Courier delivery is acceptable, but the documents inside the courier package must be in an official envelope that has been sealed by the source organization. Courier packages must be sent directly to the College.
- For all documents received by the College, not written in the English or French language, i.e. medical school transcript or evidence of standing, you will be asked to arrange for translation. Please refer to the General Guidelines - Registration Process and Timelines document for information on acceptable translations.

Medical School Transcript

Arrange for an official sealed transcript verifying your undergraduate medical education and conferral of degree in medicine.

If you attended more than one medical school, an official transcript will be required from each school. You must also arrange for a letter from the first school confirming that your transfer was voluntary and that you were in good standing at the time of transfer.

Alternatives

a) www.physiciansapply.ca Physician credentials repository, previously known as the Physician Credentials Registry of Canada (PCRC) – The College will accept source verification of your medical degree credentials if completed by physiciansapply.ca. If you have completed source verification with the physiciansapply.ca, ensure to share your verified credentials with the College.

b) Federation Credentials Verification Service of the U.S. Federation of State Medical Boards - If you have completed source verification with FCVS, arrange for FCVS to send your “Physician Information Profile” directly to the College.

Evidence of Standing

Using the “Confirmation of Standing” form provided by the College, you must provide evidence of standing from the medical licensing authority in every jurisdiction where you have practised medicine, or have taken postgraduate training since graduating from medical school. If the form received does not cover your full period, a revised form will be required.

A certificate of standing is acceptable in lieu of a completed “Confirmation of Standing” form only if the licensing authority will not complete the Confirmation form and only if the certificate of standing attests to the same information as required on the Confirmation form.

If you were not required to hold a licence to practise or train medicine in a jurisdiction, you must arrange for a letter from your Program Director or Supervisor. It must be sent directly to the College in an official, sealed and stamped envelope. It must confirm the dates of your appointment, type of position, satisfactory performance and conduct and that no registration or licensure was required.

For applicants who have trained in the United Kingdom, please ensure that the General Medical Council
includes evidence of your Limited Registration. Copies of your Limited Registration certificates are also acceptable.

If you were issued a certificate following successful completion of internship by your medical school, please provide a photocopy with your application.

**Reference Forms**

Using the Reference Form provided by the College, please arrange for three references to be completed by the following individuals at the hospital where you presently practise: Chief of Staff; Department Head; Head Nurse.

If your current practice is not hospital-based, please arrange for three references from physicians in authority who can comment on your current practice, e.g. Medical Director or most senior physician at your clinic.

If you are currently enrolled in a clinical fellowship outside Ontario, one of three reference forms can be completed by your Program Director.

Instruct your referees to send their completed reference forms directly to the College.

Return with your application your “List of Referees” using the enclosed form. If you are unable to arrange for references as specified above, please provide an explanatory letter.

**Inquiry Form for Board Action Search by the Federation of State Medical Boards**

If you have practised medicine or taken postgraduate medical training in the United States, a board action search by the Federation of State Medical Boards of the United States is required.

You must complete an Inquiry Form: Federation of State Medical Boards Action Data Bank form provided by the College and send it directly to the Federation of State Medical Boards at the address indicated in the form. The Federation will in turn send the Inquiry form directly to the College. You may send the form to boardinquiry@fsmb.org
Registration Committee Review

If your application presents any significant issues or deficiencies, review by the College’s Registration Committee will be required. The Registration Committee meets once every four to six weeks, with a five week cut-off date preceding each meeting. If your case requires Registration Committee review, you will be asked for additional credentials requirements. You will need to defer your start date of practice.

Term, Condition and Limitation of the Independent Practice Certificate of Registration

Following completion of all requirements, the College will issue a certificate of registration authorizing independent practice. This certificate will carry the following standard term, condition and limitation:

You may practise only in the areas of medicine in which you are educated and experienced.

Any practice outside the physician’s area of education and experience would contravene the term, condition and limitation of the Independent Practice certificate. If a physician intends to change scope of practice, he or she must follow the College’s Change of Scope of Practice policy by participating in an individualized training and assessment process that will ensure safe and competent practice in the new area.

Fee for Service Billing Number

Eligibility for a fee-for-service billing number in Ontario is contingent on issuance of the certificate of registration. Billing numbers are issued by the Ontario Ministry of Health and Long-Term Care. For further information about obtaining an Ontario Health Insurance Plan (OHIP) number visit the Ministry's website at www.health.gov.on.ca.

Annual Renewal of the Certificate

Upon issuance of the certificate of registration, the applicant becomes a member of the College. To maintain the certificate, the member must renew membership each year through full payment of annual fee and completion of the mandatory renewal form. The College does not offer reduced membership fee for members on leave, residing put-of-province, or otherwise not using their certificate.

The College’s membership year is June 1 to May 31. For new members registered partway through the membership year, the subsequent annual fee will be reduced by a pro-rated amount.

Should a member choose to resign from membership or allow the certificate to expire for failure to complete the annual renewal requirements he/she cannot resume medical practice in Ontario without applying and qualifying for a new certificate of registration.
Credit Card Payment Authorization for Independent Practice Certificate Fees

PLEASE NOTE: In order to comply with Payment Card Industry Data Security Standards, the College is not able to accept credit card payments by email or telephone. Faxed credit card payments will only be accepted if remitted directly to the Finance Department at (416) 967-2654.

For clarity, please complete this form electronically.

8. **Practice History**

In chronological order, list the names of every jurisdiction where you have practiced medicine, including all postgraduate training appointments since graduating from medical school. If you held or currently hold a licence issued by a medical licensing authority, regardless of type, please provide the corresponding licence or registration number for each period of postgraduate training and/or practice. Reflect actual postgraduate training and clinical practice history, rather than dates of licensure. Jurisdictions where you held a licence, but did not engage in medical practice or training, are not required in this section.

CPSO Application for a Certificate of Registration Authorizing Independent Practice

December 2017
9. **Breaks in Medical Training and Practice**

Declare and account for all periods of *six continuous months or more* during which you did not practise medicine in any capacity either as a postgraduate clinical trainee or a clinical practitioner.

Be sure to include any delays occurring between the date of graduation from medical school and commencement of postgraduate training. Time spent in observerships / shadowing should also be declared.

Health-related research positions, including research fellowship(s) during which you did not maintain clinical patient contact constitute a break in medical training and practice history and must be listed.

Ensure dates provided are correct and complement the postgraduate training / practice history information provided in the application and the curriculum vitae. Missing periods or conflicting dates will require clarification.

10. **Professionalism, Conduct, Character and Suitability to Practise Medicine**

Each question must be answered carefully and honestly. Clarify any uncertainties with the College before you answer the questions. If you do not fully understand what a question means or how it should be answered, contact the College for assistance.

Any errors, discrepancies or omissions in your answers, no matter how minor, will delay your application and may require review by the College’s Registration Committee.

Ensure that you consider any past practice in Ontario when responding to the questions and that your responses are consistent with those in any previous application you have made to the College.

For every “Yes” response, you must provide sufficient explanation and documentation. Without this, the College cannot proceed with your application. Later in the process, the College may ask you for further explanation or documentation.

If the events or circumstances behind any “Yes” response raise reasonable doubts about whether you fulfill the registration requirements, your application must be referred to the Registration Committee for review.

Be assured, however, that not every “Yes” response requires Registration Committee review, and that in either case your honest and frank disclosure will be appreciated by the College.

The College has a **non-exemptible requirement** for registration that the conduct of the applicant, including the applicant's past conduct, affords reasonable grounds for belief that the applicant:

(i) is mentally competent to practise medicine,
(ii) will practise medicine with decency, integrity and honesty and in accordance with the law,
(iii) has sufficient knowledge, skill and judgment to engage in the medical practice authorized by the certificate, and
(iv) can communicate effectively and will display an appropriately professional attitude.

Knowingly giving a false response to any question is grounds for refusal of the application by the Registration Committee and is an offence under s. 92 of the Ontario Health Professions Procedural Code.

**a) Applications to Medical Licensing Authorities**

In the following questions, “medical licence” includes any certificate of registration or permit to practise medicine of any type -- full, limited, temporary, provisional, training, etc.

- For every “Yes” response, provide a detailed explanation including all relevant names and dates.

<tr>
<td>(iii) Are you currently applying for a medical licence in any jurisdiction other than Ontario?</td>
<td>Yes □ No □</td>
</tr>
</tbody>
</table>

**b) Actions by Medical Licensing Authorities**

In the following questions, “medical licensing authority” includes the College of Physicians and Surgeons of Ontario and any other licensing or regulatory authority that has had jurisdiction over your medical practice.

- For every “Yes” answer, provide a detailed explanation.

- For each complaint investigation outside Ontario, the College requires that you arrange for the medical licensing authority or other organization involved to forward all relevant information including, but not limited to, copies of the complaint, your formal response to the complaint, and the decision and reasons.

To facilitate this, the Consent to Release Information to the College of Physicians and Surgeons of Ontario form can be obtained by contacting Registration Inquiries at inquiries@cpsso.on.ca.
(i) **Regardless of the outcome**, have you ever been the subject of any complaint made to a medical licensing authority? *Be sure to disclose all complaints. Complaints that were dismissed, or closed with no further action, or otherwise resolved in any manner, must still be disclosed.*

c) **LEGAL ACTIONS, SETTLEMENTS AND COURT FINDINGS**

- For each action or claim, provide an explanation of the events that led to the action, the patient’s condition at the point of your involvement, the nature and extent of your involvement, and the degree of your responsibility for the patient’s care. Also, provide copies of the statement of claim or complaint, statement of defence or response, court judgment or court order, and settlement agreement. If the supporting documents are not in your possession, please contact the Canadian Medical Protective Association (CMPA) or your legal counsel to authorize release to the College.

- For past actions in Canada, contact a Medical Officer at the CMPA and authorize a report to be sent directly to the College that describes the action, your role in the events, and the outcome of the action. A report from your legal counsel will be required if the CMPA does not confirm the necessary details of the action.

- For current actions in Canada, contact your legal counsel and request a report to be sent directly to the College that describes the action, your role in the events, and the present status of the action.

- For actions outside Canada, contact your legal counsel or insurance carrier and request a report to be sent directly to the College that describes the action, your role in the events and the outcome or present status of the action.

d) CHARGES AND CONVICTIONS

In the following questions, “offence” includes driving offences such as impaired driving, dangerous driving, driving while suspended, refusing to give a breath or blood sample, or failing to stop at the scene of an accident – these are all major offences which must be disclosed. You need not disclose minor traffic offences, such as parking violations.

- For every “Yes” response, provide a detailed explanation and include copies of relevant documents, e.g. conviction, indictment or summons forms; conditional or absolute discharge orders; other court orders and records.
- If you have been granted a pardon for a past conviction, enclose a copy of the pardon document.

j) **UNDERSTANDING, AGREEMENT and THIRD-PARTY AUTHORIZATION**

1. I understand that I will be deemed by the College of Physicians and Surgeons of Ontario (the “College”) not to have satisfied the requirements and qualifications for a certificate of registration if, in connection with this application or any past application, I have made a false or misleading representation, either because of what was stated or left unstated.

2. I understand that any certificate of registration that results from this application is void and is deemed to have always been void if I have made any false or misleading representation or declaration on or in connection with this application, whether by commission or omission.

3. I agree that during the course of this application I will immediately notify the College in writing of anything that renders any response to the questions in this application, although true and complete when made, no longer true and complete. I understand that failure to notify the College of any such thing may void any certificate of registration that results from this application.

4. I understand that the College’s registration and credentialing requirements are subject to change and that any such changes, including possible updates during the course of this application may apply to me. I understand that the maximum term of validity for most supporting source credentialing documents is six months from the date of issuance. I understand that if my application remains incomplete or inactive for one year, it will be considered withdrawn.

5. I understand that the submission of this application for registration to the College and any registration with the College that may result, shall constitute and operate as authorization by me for the College to make such inquiries about me of any kind that it considers appropriate in connection with this application and to disclose information about me to other medical licensing authorities, federations of licensing authorities, hospitals and other institutions to which I apply for appointment.

6. I understand that this Understanding, Agreement and Third-party Authorization is valid commencing on the date subscribed below and that this Understanding, Agreement and Third-party Authorization will remain in force and effect during the course of this application and until I no longer hold a certificate of registration issued by the College.

a) Professional Liability Protection – Declaration by Applicant

I, ________________________________________________________________________, hereby declare to the College of Physicians and Surgeons of Ontario ("the College") as follows:

1. I currently hold professional liability protection that extends to all areas of my practice in Ontario. My professional liability protection is provided through:
   (a) Membership in the Canadian Medical Protective Association (CMPA), under membership number: _______________________________________, or
   (b) A policy of professional liability insurance issued by a company licensed to carry on business in Ontario that provides coverage of at least $10,000,000, namely _____________________________________________, or
   (c) Coverage under the Treasury Board Policy on Legal Assistance and Indemnification (for Crown servants of Canada).

2. I understand that after I am registered with the College and have identified the provider of my professional liability protection, the College may inquire with the provider regarding whether I hold professional liability protection in compliance with s. 50.2 of the College by-law, and I hereby consent to disclosure of this information to the College by the provider of my professional liability protection.

3. I understand that I must have available in my office, in written or electronic form, for inspection by the College, evidence that I hold professional liability protection.

4. I understand that my registration with the College will expire when I no longer hold professional liability protection.

5. I understand that before each annual renewal of my College registration, I must sign a declaration that I hold professional liability protection.

6. I understand that it is an offence under s. 92 of the *Health Professions Procedural Code* to make a false representation for the purpose of having a certificate of registration issued.

7. I understand that I will be deemed not to have satisfied the requirements and qualifications for a certificate of registration if I have made a false or misleading representation in this Declaration.

b) Professional Liability Protection – Undertaking by Applicant

I, ________________________________, hereby undertake, agree, and consent to the College of Physicians and Surgeons of Ontario ("the College") as follows:

1. Before I provide any medical service in Ontario to any person, I will obtain professional liability protection that complies with s. 50.2 of the College by-law. Specifically, my professional liability protection will extend to all areas of my practice and be provided through one or more of,

   a) membership in the Canadian Medical Protective Association (CMPA);

   b) a policy of professional liability insurance issued by a company licensed to carry on business in Ontario that provides coverage of at least $10,000,000.

   c) coverage under the Treasury Board Policy on Legal Assistance and Indemnification (for Crown servants of Canada).

2. Within thirty (30) days of obtaining such professional liability protection, I will sign and submit to the College a declaration to that effect, using the College form “Declaration by Member: Professional Liability Protection.”

3. I understand that after I am registered with the College and have identified the provider of my professional liability protection, the College may inquire with the provider regarding whether I have professional liability protection, and I hereby consent to disclosure of this information to the College by the provider of my professional liability protection.

4. I understand that I must have available in my office, in written or electronic form, for inspection by the College, evidence that I hold professional liability protection.

5. I understand that my registration with the College will expire when I no longer hold professional liability protection.

6. I understand that before each annual renewal of my College registration, I must sign a declaration that I hold professional liability protection.

7. I understand that a breach of this undertaking is an act of professional misconduct which may result in referral of a specified allegation against me of professional misconduct to the Discipline Committee of the College.

12. **CONSENT FOR RELEASE OF INFORMATION: MEDICAL INFORMATION NUMBER OF CANADA**

For the purpose of generating the Medical Information Number of Canada (MINC) number that will be permanently assigned to you or for checking the existing MINC number, completion of this part of consent section is required. Please read the details about the MINC system and answer the question below.

Not Applicable - Consent provided with the previous application made to this College. □

A medical identification number system has been developed with the goal of providing a reliable means of identifying every individual in the Canadian medical education and practice systems.

A not-for-profit corporation (whose legal name is noted above), known as "MINC#NIMC", has been incorporated by the Federation of Medical Regulatory Authorities of Canada (FMRAC) and the Medical Council of Canada (MCC) for the sole purpose of administering the MINC number system.

A MINC number will be issued to all individuals (who consent in writing) at the time of their initial, even temporary, entry to any aspect of the Canadian medical education or practice systems, including undergraduate students, postgraduate trainees, applicants to the MCC examinations, and physicians of any registration status. Once assigned, an individual's MINC number will remain unchanged throughout his/her entire medical career. Assigned numbers will never be reused, even after the death of the individual. Individuals will carry the same MINC number, even if they leave Canada and return, move between jurisdictions or change registration status.

No information is encoded in an individual's MINC number, other than a country code (CA for Canada) and a profession code (MD for Medicine). The MINC number does not imply any special privilege, rights or status; it is simply a series of letters and numbers for identification purposes.

Upon the consent of an individual, the MCC or a provincial/territorial medical regulatory authority will submit personal information to MINC#NIMC as follows: name(s), gender, date of birth, country of birth and year and university of graduation (note: previous names if applicable and other identifiers if necessary to confirm identity may also be submitted), collectively referred to as the Core Information.

MINC#NIMC will use Core Information to either generate or confirm a MINC number for individuals and will retain the Core Information and its associated MINC number in its system for the purposes of uniquely identifying individuals and ongoing identity confirmation by Prime Users and Licensed Users of the MINC system. Prime Users are the 12 medical regulatory authorities in Canada, as well as the MCC.

Not-for-profit and public sector organizations that are involved in the education, certification, licensure or professional practices of physicians in Canada may apply to MINC#NIMC for a license to use the MINC number system as a means of accurately identifying individuals with whom they have dealings, processing information relating to those individuals, and linking or exchanging physician information with other Licensed or Primary Users for Approved Purposes such as the compilation of statistics, the development of profiles, the administration of programs or benefits, the management of the health system and research.

Licensees agree to comply with MINC#NIMC’s Privacy Code, with privacy, security and confidentiality provisions, and with applicable privacy legislation as part of their licensing agreements.

The MCC and the twelve Canadian medical regulatory authorities will have controlled access to both MINC numbers and Core Information in order to facilitate the performance of their regulatory responsibilities. The only information that shall be disclosed to Licensed Users shall be the MINC numbers for their own members.

For a more complete description of MINC#NIMC, including the details of its Privacy Code and a list of all Prime Users and Licensed Users and their approved uses, consult its website at www.minc-nimc.ca, or contact MINC#NIMC directly at:

**Consent for Release of Information to the Medical Information Number of Canada**

I have read and understand the above information, and consent to the release by the College of Physicians and Surgeons of Ontario of my Core information to MINC#NIMC for the purpose of generating a MINC number that will be permanently assigned to me or checking my existing Core Information with MINC#NIMC.

I further consent to MINC#NIMC storing the MINC number and my Core information in its database and disclosing the MINC number to Prime and Licensed Users and my Core Information to Prime Users as outlined above. I also understand that I may withdraw my consent to MINC at any time by written notice to MINC#NIMC.

CONFIRMATION OF STANDING BY MEDICAL LICENSING AUTHORITY

Completion of this form is required for the purpose of registration with the College of Physicians and Surgeons of Ontario (CPSO). The completed form must be returned directly to the CPSO by the medical licensing authority(ies) concerned. If necessary, please print additional copies.

The applicant is responsible to have the 3-page Confirmation of Standing by the Medical Licensing Authority form forwarded to the medical licensing authority in every jurisdiction where s/he practised medicine, postgraduate training appointments included. Note that an applicant for a Supervised Short Duration certificate of registration is required to arrange for confirmation of standing only from the medical licensing authority in the jurisdiction where s/he currently practices medicine.

For the purpose of registration with this College, the confirmation of standing from the jurisdiction where an applicant currently practices medicine remains valid for six (6) months from the date of issuance.

A certificate or letter of standing is acceptable in lieu of a completed Confirmation of Standing form only if the licensing authority will not complete the Confirmation form and only if the certificate or letter of standing attests to the same information as required in Part B of the Confirmation form.

LIST OF REFEREES

Please list below the names of referees to whom you have sent the College’s Reference Form for completion and return the completed list with your application. This list will assist the College in the efficient credentialing of your application.

Note that the evaluation of an individual who is presently in a position of formal authority over your work should be based on demonstrated performance compared to that reasonably expected of a physician with a similar level of training, experience and professional background as yours.

A minimum of three references is required. That is, from the Program Director, Chief of Staff, Department and/or Division Head, Senior Colleague, Medical Director or Nurse at your current place of employment. Additional references may be required in certain cases, i.e. if you have a current secondary practice.

If you have practised for less than six months at your current place of employment, arrange for a reference from the previous employer.

If your present practice is office-based, arrange for references from individuals in authority who can best comment on your current practice, e.g. most senior physician at your clinic, physician who covers for you in your absence, physician whom you refer patients to or receive referrals from on a regular basis.

Updated references are required should your application remain in process for longer than 6 months.
