

Dr. Marie-Pierre Carpentier

Primary Practice Location:

Hôpital Montfort, 713 Chemin Montreal, Ottawa, ON, K1K 0T2

Email: mariepcarpentier@montfort.on.ca

Principal area of practice or specialty:	Emergency Medicine
---	--------------------

Current hospital appointments: Hôpital Montfort, Ottawa

I am honored to submit my nomination for an elected position on the CPSO Board of Directors. I have been involved at the CPSO as a peer assessor in emergency medicine for seven years prior to my appointment as an academic board director from the University of Ottawa in 2022.

Through my experience on the CPSO board of directors and my service on the Ontario Physicians and Surgeons Discipline Tribunal since 2022, I have gained valuable insights into the critical role the CPSO plays in regulating the profession. My recent appointment to the CPSO Policy Working Group has further solidified my commitment to advancing the College's mandate. It would be a privilege to continue contributing to the Board and its committees.

As a francophone emergency physician with 25 years of clinical experience, including leadership roles in hospital settings and as president of the Montfort Hospital Medical Staff Association, I bring a well-rounded perspective to the Board. My leadership roles have equipped me with the ability to navigate complex organizational dynamics and advocate for diverse stakeholders. Practicing in a setting with socioeconomically disadvantaged patients and those facing substance use challenges has deepened my understanding of the barriers to equitable healthcare. My previous work in Northern Ontario, including seven years as an emergency physician in Thunder Bay, further broadened my perspective on the unique needs of northern communities.

As a Board Director, I will remain committed to ensuring the regulation of the profession is guided by integrity, transparency, and a commitment to public safety while addressing Ontario's evolving healthcare needs. I would be deeply grateful for the opportunity to continue my work with the CPSO, contributing to its strategic vision, and ensuring the Board reflects the diverse and dynamic healthcare landscape it serves.

Thank you for considering my application.
